Minimum Spending Requirements (excludes gratuity)

There is no venue charge for a semi-private area. In an area the minimum spending requirement (Excluding a discretionary 10% gratuity) differs accordingly to the size of the area and is calculated on the maximum number of people that can be accommodated. The minimum spending requirement is the value of all food that would be spent on average in an area. In the event of this minimum not being reached, the outstanding balance is added onto the bill as a private function charge. The outstanding amount may not be used to purchase take away wines, champagnes spirits etc.
